## Logan is the Best Small City in America

LOGAN – Once again Logan pops up as #1 on a best-of list; now on the Go.Verizon.com list.

After some generous research and a bit of computing, Go.Verizon.com has found that the smaller the city, the more room there is to grow. The Go.Verizon.com team gathered data from nearly 300 cities across the country, focusing on certain factors that would categorize them as “small” without dipping below the mark to “town” status. These elements also indicated the financial climate of each city and an overview of its demographics.
